

AJAX

Ajax is a professional wireless security system

About company

The year of
foundation

2011

Production and
Development

Ukraine, Kyiv

Intellectual
Property

5 patents

Deters burglars

Recognizes fire

Detects flooding

Controls appliances

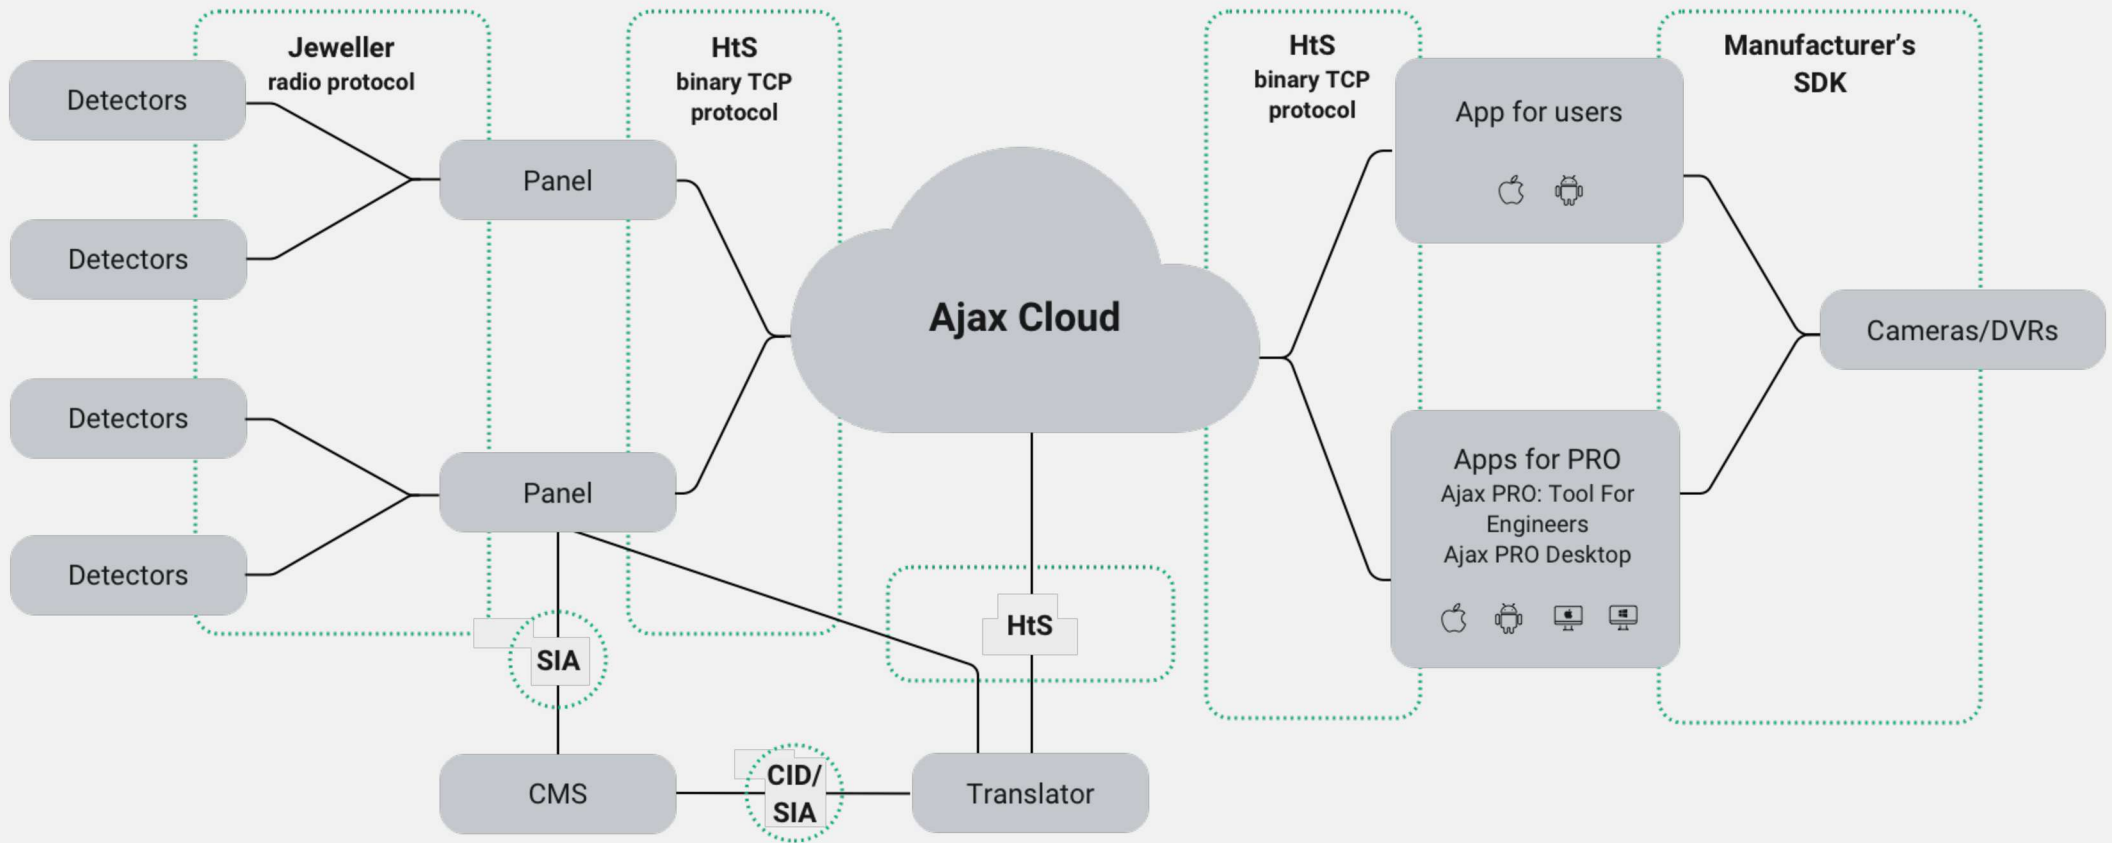

Streams security cameras

Distribution Geography Growth

Ajax System Architecture

Data transmission from the detector to the user and CMS is based on proprietary technologies, and securely encrypted to ensure the speed and reliability of the entire system

Our radio technology replaces archaic wires

Product Line

Intelligent Security Control Panels

Hub

Hub Plus

Hub 2

Hub 2 Plus

Intelligent Security Control Panels

	Hub	Hub Plus	Hub 2	Hub 2 Plus
Devices	100	150	100	200
Cameras & DVRs	10	50	25	100
Range extenders	1	5	5	5
Users	50	99	50	200
Security groups	9	25	9	25
Scenarios	5	64	32	64

AJAX

Indoor Detectors

MotionProtect

Wireless pet immune motion detector

MotionProtect Plus

Wireless pet immune motion detector with additional microwave sensor

CombiProtect

Wireless motion and glass break detector with pet immunity

MotionCam

Wireless motion detector with visual alarm verification and pet immunity

MotionProtect Curtain

Wireless indoor curtain motion detector

DoorProtect

Wireless magnetic opening detector

DoorProtect Plus

Wireless magnetic opening detector with shock and tilt sensor

GlassProtect

Wireless glass break detector

Outdoor Detectors

MotionProtect Outdoor

Wireless outdoor motion detector with anti-masking and pet immunity

MotionCam Outdoor

Wireless outdoor motion detector with visual alarm verification, anti-masking, and pet immunity

DualCurtain Outdoor

Wireless outdoor dual-side curtain-type motion detector with anti-masking and pet immunity

Sirens

StreetSiren

Wireless street siren

HomeSiren

Wireless indoor siren

StreetSiren DoubleDeck

Wireless outdoor siren with a clip lock for a branded faceplate

Fire Detection

FireProtect

Wireless smoke and heat detector with sounder

FireProtect Plus

Wireless smoke, heat and carbon monoxide detector with sounder

Flood Protection

LeaksProtect

Wireless flood detector

Automation

Socket

Wireless smart plug
with energy monitor

Relay

Wireless low-current dry
contact relay

WallSwitch

Wireless power relay
with energy monitor

Controls and panic buttons

KeyPad

Wireless touch keypad

KeyPad Plus

Wireless touch keypad supporting encrypted contactless cards and key fobs

Pass

for KeyPad Plus

Tag

for KeyPad Plus

SpaceControl

Security system key fob with panic button

Button

Wireless panic button / remote control for smart home

DoubleButton

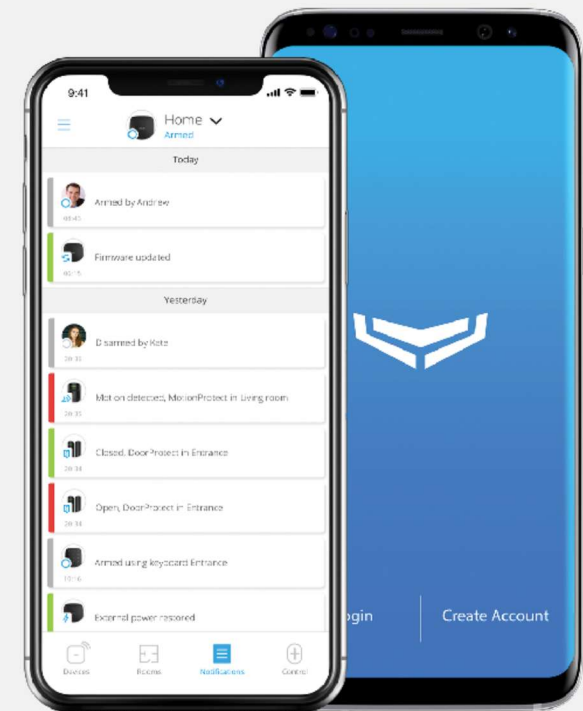

Wireless hold-up device with advanced protection against accidental presses

App for End Users

Designed to help users to stay
in touch with their property from anywhere in the world

- Arm/disarm the system
- Get instant notifications
- Follow the events feed
- Get detailed device status
- Test devices
- Create scenarios
- Use virtual panic button
- Watch security cameras
- Keep account protected with 2FA

Ajax Security System

MotionCam and MotionCam Outdoor - motion detectors with a photo camera to verify alarms

Photo capture only when alarmed

Motion detected

Alarm raised

Situation captured

Operates only with Hub 2 and Hub 2 Plus

The security system and video surveillance in one app

- Dahua, Hikvision, Safire, Uniview, Ezviz integration
- Connect up to 100 cameras and DVRs
- Support for RTSP

Cameras connect to the system in a few clicks

AJAX

The security system and video surveillance in one app

Streaming video and sound

Saving snapshots

Zooming video in

Cameras and DVRs support

Types of Scenarios

Alarm reactions

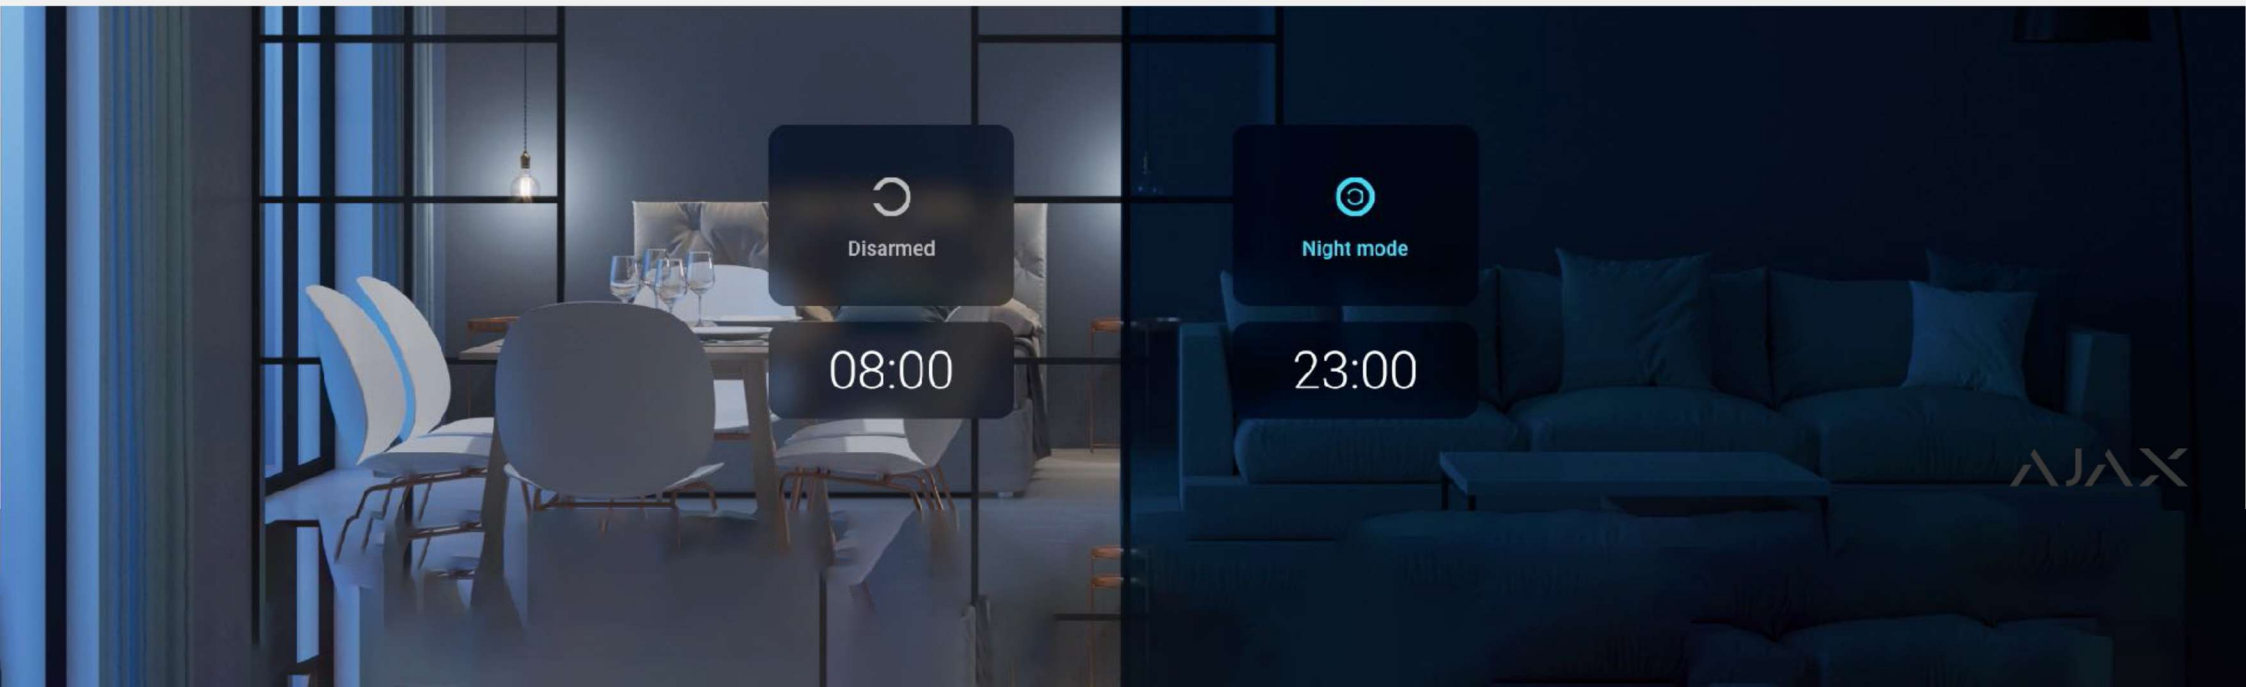

- Flood prevention system
- Switch off the potential cause of ignition
- Spotlighting the trespassers

Scheduled actions

- Scheduled Night Mode
- Home activity simulation
- Heating on schedule

Security mode change reactions

- Turning off lighting and certain sockets when arming the system
- Automatic doors and roller shutters

Security of any Scale

ReX

Intelligent range extender
communicates at a distance
of up to 1800 m

Hub Plus \ Hub 2 \ Hub 2 Plus

5 × ReX

up to 35 km²

Hub

1 × ReX

up to 16 km²

AJAX

Trusted by Professionals

Ajax meets international security standards

European standard EN 50131, Grade II

Ajax devices underwent independent testing and received the highest possible rating for wireless solutions

EN 14604 certified

Our smoke detectors fulfill the requirements of this international standard

PD 6662:2017 Security standard

A document that applies European standards for intrusion and hold-up alarm systems in the UK

The most awarded wireless security system in Europe

Intruder Alarm of the Year

Security & Firefighting Risks

The Best Innovative Product

Innovative Security Product of the Year

MotionCam - Intruder Product Of The Year

9.5 / 10
